Do we even need to explain what Tetris is? Seriously, it's the world's most famous puzzle game that exists for more than 30 years already! While the game did have many iterations, EA's TETRIS on mobile became one of the best in the series.. While the publisher may uphold a bad reputation, you cannot deny that their version of the game plays really well! Now, you can enjoy this classic puzzle game to your PC with the free TETRIS by EA download that you can find below.
